

I wanted to express how much impact KLOVE has had in my family. It is the only radio station I do not have to worry about language, "adult" commercials, or improper songs. I appreciate a station like this that I can enjoy sharing with my 2 year old daughter. It lifts me up, encourages me, and comforts me when I am upset. They NEVER insult anyone or anything, and they help me show my daughter that being positive is so much more rewarding than having a "nasty" attitude as do so many of the more-popular "shock jocks". Please allow them to continue to broadcast at 94.7 and 94.9 in Memphis/Germantown/Mississippi. These are the only stations that pick up reception for KLOVE and I travel for up to an hour at a time. KLOVE has helped me and my husband by strengthening our faith and giving my daughter a safe alternative to what is currently found on other frequencies. Thank you for allowing them the opportunity to broadcast commercial-free Christian music and news. Please allow their ministry to continue here. We have too much vulgarity on the current radio stations in our city, such as Howard Stern, Drake & Zeke, The Wake-Up Crew, and then the rest who try to emulate them. I am tired of the "bad taste" jokes they use on serious problems, as well as the obscenities they constantly use. Again, I just wanted to let you know how much I appreciate the ability & freedom to listen to a station on the radio that is clean, positive, and encouraging.
